Dear Supervisors:

**APPROVAL OF PROSTHETIC AND ORTHOTIC
APPLIANCE SERVICES MASTER AGREEMENT
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to execute Master Agreements with six vendors for the provision of prosthetic and orthotic appliance services at Department of Health Services (DHS) facilities.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Interim Director of Health Services, or his designee, to execute a Master Agreement with each of the six vendors listed on Attachment I, for the provision of prosthetic and orthotic appliance services at Harbor-UCLA Medical Center, High Desert Health System, LAC+USC Healthcare Network, Martin Luther King, Jr. Multi-Service Ambulatory Care Center, Olive View/UCLA Medical Center, Rancho Los Amigos National Rehabilitation Center and Hubert H. Humphrey Comprehensive Health Center, effective March 1, 2009 through February 28, 2014, with provisions to extend the Agreement term for up to two additional one-year periods and month-to-month extensions for up to six months, at an estimated net County cost of \$2,953,792 per year.
2. Delegate authority to the Interim Director of Health Services, or his designee, to exercise the two additional one-year extension options, through February 29, 2016, and the month-to-month extension options for up to six months, through August 31, 2016, by executing amendments to the Master Agreement, subject to prior review and approval by County Counsel and the Chief Executive Office, with notification to your Board.

3. Delegate authority to the Interim Director of Health Services, or his designee, to amend the Agreement to add or delete DHS facilities, subject to prior review and approval by County Counsel and the Chief Executive Office, with notification to your Board.
4. Delegate authority to the Interim Director of Health Services, or his designee, to execute Agreements with new qualified vendors under the Master Agreement who have been identified and selected through a qualification process, during the term of the Agreement.

PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTIONS

Approval of the Master Agreement, substantially similar to Exhibit I, will allow for the continued provision of prosthetic and orthotic appliance services, on an as-needed basis, at DHS facilities. The County has contracted for prosthetic and orthotic appliance services for several years. Contractors are required to provide a variety of prosthetic and orthotic appliance, as well as certified orthotists and prosthetists whose duties include measurement, fitting, adjustment and delivery of appliance(s), and training of patients in the use of such appliance(s).

Approval of the recommended actions will allow for the effective administration of the Master Agreements and ensure timely response to critical patient needs throughout the County. These Master Agreements replace the current agreements that expire February 28, 2009.

Implementation of Strategic Plan Goals

The recommended actions support Goal 1, Service Excellence and Goal 7, Health and Mental Health of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Under the Master Agreement, the Contractor shall be responsible for billing Medi-Cal, Medicare and private insurance for eligible patients. Services provided to Medicare eligible inpatients, Los Angeles County Health Plan members, Medi-Cal inpatients and County responsible indigent persons will be billed to the County. Expenditures under the Master Agreements will vary depending on the volume of services provided. Based on historical volume, the County's initial annual cost is estimated at \$2,953,792. Funding is included in the Fiscal Year 2008-09 Final Budget and will be requested in future fiscal years. Attachment II provides a breakdown of the DHS facilities estimated annual cost under the Agreements.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On September 21, 2004, your Board approved a form contract, effective through February 28, 2009 (including term extensions) for the provision of prosthetic and orthotic services, as a result of a Request for Qualifications (RFQ) released in January 2003.

The recommended Master Agreement will provide for the continued provision of prosthetic and orthotic appliance services, on an as-needed basis, which County employees, in-house staffing pool personnel, and County re-employment list personnel are not available to perform. Based on the extraordinary nature of prosthetic and orthotic appliance services, which cannot be otherwise provided by County personnel, DHS has determined that the Master Agreement is not a Proposition A agreement and therefore exempt from the Living Wage ordinance.

County Counsel has approved Exhibit I as to use and form. The Master Agreement includes all of the standard provisions mandated by your Board. Rates are standardized throughout all County facilities with implementation of this Master Agreement. The County may terminate the Master Agreement upon Contractor 10-day advance notice.

CONTRACTING PROCESS

On October 21, 2008, DHS released a Request for Statement of Qualifications (RFSQ) for prosthetic and orthotic appliance services, posting it on the DHS Contracts and Grants website and the County "Doing Business with Us" website. The initial Statement of Qualifications (SOQ) submission deadline was November 25, 2008, and the six recommended firms submitted SOQs by this deadline. The RFSQ is open continuously for responses and SOQs will continue to be accepted and reviewed in accordance with the process. If qualified, additional firms will be offered the Master Agreement. Approval of a Master Agreement does not guarantee a contractor any minimum amount of work.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendations will ensure the continued provision of prosthetic and orthotic appliance services, on an as-needed basis, to meet critical patient needs at DHS facilities.

CONCLUSION

When approved, DHS requires three signed copies of the Board's action.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'John F. Schunhoff', written in a cursive style.

In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

9.3 AUTHORIZATION WARRANTY

Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 9.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

9.6 COMPLIANCE WITH CIVIL RIGHTS LAWS

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through

2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement. Contractor shall comply with Exhibit E, Contractor's EEO Certification.

9.7 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

9.7.1 Jury Service Program:

This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit F and incorporated by reference into and made part of this Agreement.

9.7.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall

immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Agreement and at its sole discretion

that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

9.8 CONFLICT OF INTEREST

9.8.1 No County employee whose position with County enables such employee to influence the award of this Agreement or any competing Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

9.8.2 Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts that create a

conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Agreement.

**9.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES
TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

**9.10 CONSIDERATION OF HIRING GAIN/GROW PROGRAM
PARTICIPANTS**

- 9.10.1 Should Contractor require additional or replacement personnel after the effective date of this Agreement, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by job category to Contractor.
- 9.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County

employees shall be given first priority.

9.11 CONTRACTOR RESPONSIBILITY AND DEBARMENT

9.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement. It is the County's policy to conduct business only with responsible Contractors.

9.11.2 Chapter 2.202 of the County Code

Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other Agreements which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Agreement, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements Contractor may have with County.

9.11.3 Non-responsible Contractor

County may debar a Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of an agreement with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform an agreement with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3)

committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

9.11.4 Contractor Hearing Board

1. If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the

proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the

request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under this Agreement within the following conditions:

- Contractor shall develop all publicity material in a professional manner; and

9.37.3 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of County may conduct an audit of Contractor regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by County to

9.39.4 Contractor shall remain fully responsible for all performances required of it under this Agreement, including those that Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's

proposed subcontract.

- 9.39.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Agreement. Contractor is responsible to notify its subcontractors of this County right.

Failure of Contractor to maintain compliance with the requirements set forth in Sub-paragraph 9.13 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Agreement. 9.41 TERMINATION FOR CONVENIENCE

9.41.1 County may terminate this Agreement, in whole or in part, from time to time or permanently, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

9.42.2 In the event that County terminates this Agreement in whole or in part as provided in Sub-paragraph 9.42.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Sub-paragraph.

9.42.3 Except with respect to defaults of any subcontractor, Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 9.42.2 if its failure to perform this Agreement, arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Sub-paragraph, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

9.42.4 If, after County has given notice of termination under the provisions of this Sub-paragraph, it is determined by County that Contractor was not in default under the provisions of this Sub-paragraph, or that the default was excusable under the provisions of Sub-paragraph 9.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 9.41 - Termination for Convenience.

9.42.5 The rights and remedies of County provided in this Sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

9.43 TERMINATION FOR IMPROPER CONSIDERATION

9.43.1 County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

9.43.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

9.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may in its sole discretion, immediately terminate or suspend this Agreement.

9.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Agreement, County shall not be obligated for the Contractor's performance hereunder or by any provision of this Agreement during any of the County's future

fiscal years unless and until the County's Board of Supervisors appropriates funds for this Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

9.47 VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

9.48 WAIVER

No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

9.49 WARRANTY AGAINST CONTINGENT FEES

9.49.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

9.49.2 For breach of this warranty, County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise

recover, the full amount of such commission, percentage, brokerage, or contingent fee.

For code descriptions, refer to a current Healthcare Common Procedure Coding System (HCPCS) text or the *Orthotic and Prosthetic Appliances: Billing Codes and Reimbursement Rates – Orthotics* section of this manual.

With the exception of the diabetic shoe and insert codes, these frequency limits can be overridden with evidence of medical necessity as shown by an approved *Treatment Authorization Request* (TAR).

Note: Codes that are not listed in this section do not have a defined frequency limit and always require authorization.

Orthotic and Prosthetic Appliances

This section contains information about Orthotic and Prosthetic (O&P) appliances and program coverage (*California Code of Regulations*, [CCR], Title 22, Section 51315). For additional help, refer to the *Orthotic and Prosthetic Appliances: Billing Examples* section of this manual.

Program Coverage

Medi-Cal covers O&P appliances when such appliances are necessary for the restoration of function or replacement of body parts, as prescribed in writing by physicians, podiatrists or dentists within the scope of their license.

Eligibility Requirements

For providers to receive reimbursement, a recipient must be Medi-Cal or California Children's Services (CCS) - eligible on the date of service.

Provider Types Authorized to Bill for O&P Appliances

The only provider types authorized to furnish and bill for O&P appliances are orthotists, as defined in CCR, Title 22, Section 51101; prosthetists, as defined in Section 51103; physicians, as defined in Section 51053; podiatrists, as defined in Section 51075, acting within the scope of their practice; and California Children's Services providers. Appliances listed in the *Orthotic and Prosthetic Appliances: Billing Codes and Reimbursement Rates – Orthotics and Orthotic and Prosthetic Appliances: Billing Codes and Reimbursement Rates – Prosthetics* sections of this manual and designated by double asterisks (**) may be furnished and billed by pharmacists.

Prescription Requirements

A written prescription by a licensed practitioner is required for all O&P appliances billed to Medi-Cal (CCR, Section 51315[a]). The prescription must be specific to the item(s) billed.

Health care services are limited to those necessary to protect life, prevent significant illness or significant disability or alleviate severe pain. Therefore, prescribed O&P appliances may be covered only as medically necessary to restore bodily functions essential to activities of daily living, prevent significant physical disability or serious deterioration of health or alleviate severe pain.

The practitioner prescribing the items must supply the O&P provider with information required to document the medical necessity for the item(s), according to the above criteria.

Note: The original written prescription should not be attached to the claim but must be kept in the provider's files.

Modifier Requirements

Claims for orthotic and prosthetic appliances require modifier LT (left side) and/or RT (right side), with the exception of the following codes that can be billed without modifiers: A6501 – A6503, A6509 – A6511, A6513, A6544, A8002, A8003, L0120 – L0220, L0450 – L0488, L0490 – L0492, L0621 – L0640, L0700 – L0710, L0810 – L0861, L0960 – L0999, L1000 – L1652, L1690, L1700 – L1730, L1755, L2580, L2627 – L2628, L2640, L3212 – L3214, L3650, L3652, L3660, L3675, L4000, L4205, L4210, L7510, L7520, L8000, L8002, L8015, L8310, L8499, L8500 – L8510, S1040.

Helmet Codes Exception

Prefabricated helmet codes A8000 and A8001 must be billed as a purchase (modifier NU) or repair (modifier RP). These items are not rented (modifier RR is not allowed). Replacement interfacing code A8004 must be billed with modifier RP and the claims require documentation that the helmet is owned by the patient.

Repair and Labor

Prosthetic repair and labor codes L7510 and L7520 require an LT and/or RT modifier unless the provider indicates in the *Reserved for Local Use* field (Box 19) of the claim, or as an attachment, that the repair is not for a limb prosthesis.

Authorization

Authorization is required for O&P services when the cost exceeds specified *Treatment Authorization Request (TAR)* thresholds (limits).

A TAR is required each time the cumulative costs of purchase, replacement and repair exceed the amounts listed below per recipient, per provider, per 90-day period:

- Orthotics exceed \$250
- Prosthetics exceed \$500

All TARs for O&P appliances and services must be submitted to the Sacramento Medi-Cal Field Office (SMCFO) for review and processing. Refer to the *TAR Field Office Addresses* section in this manual for more information.

Appliances or Services

Authorization is required for all “unlisted,” “not otherwise specified,” “By Report” and “By Invoice” appliances or services, regardless of the dollar amount involved.

Repair

Repair of an appliance will not be authorized when cost of the repair equals or exceeds the cost of a new appliance.

TAR Requirements

A copy of the prescription must accompany the TAR submitted to the appropriate Medi-Cal field office. In addition to the practitioner's signature, all of the following information must be provided on the prescription form:

- Name, address and telephone number of the prescribing practitioner
- Date of prescription
- Item being prescribed
- California State license number of the prescribing practitioner

The physician should also provide the orthotist or prosthetist with the following information. Indicate the number of items needed, especially those that require laundering. Supplementary information must be given to justify the prescription, such as:

- Medical diagnosis(es)
- Explanation of need and the purpose for the appliance
- Duration of medical necessity
- Relevant history and physical documenting prior functional level and future anticipated functional level
- Date and type of surgery or injury, if applicable
- Identity item requested with associated HCPCS code

For repair, maintenance or replacement, include clinical documentation with reference to age of the appliance, physical condition of the appliance and the anticipated functional level of the patient.

A specific length of time should be indicated, including "permanent" or "lifetime," when the diagnosis supports such use. For short-term use, the specific number of weeks or months should be stated.

Billing Authorized Items

When billing for items that require authorization, the claim line procedure code and modifier must match the corresponding TAR procedure code and modifier.

Note: Paper TARs currently allow only one modifier per procedure code. Corresponding claims for approved appliances using the same procedure code for right (modifier RT) and left (modifier LT) sides must be billed on separate claim lines to match the paper TAR.

Lower Limb Prostheses

Lower limb prostheses (HCPCS codes L5610 – L5617) are reimbursable only when a referring physician has documented the medical necessity for these types of appliances. Code L5611 is appropriate only for recipients with a medical necessity for "swing phase control," and is restricted to once per three-year period. The prosthetist must submit a TAR that documents the recipient's functional needs, including the recipient's:

- Past history, including prior prosthetic use, if applicable;
- Current condition, including status of the residual limb and the nature of other medical problems;
- Ability to reach or maintain a defined functional state within a defined and reasonable period of time; and
- Motivation to ambulate.

A patient's functional level must be "1" or higher to qualify for this benefit. Any individual whose functional level is "0" is not a candidate for this type of prosthesis and Medi-Cal coverage will be denied.

Reimbursement

Reimbursement will not exceed 80 percent of the lowest maximum allowance for California established by the federal Medicare program for the same or similar appliances. When there is no comparable Medicare-reimbursed appliance, reimbursement will not exceed an amount that is the lesser of:

- The amount billed to the general public for the provision of the same or similar appliance; or
- The maximum reimbursement rate as described in this manual

The maximum reimbursement rates apply to the basic appliance and to any component part(s) that may be added to the appliance. When applicable, claims must include both the basic appliance and the component part(s) necessary to complete the prescribed appliance.

For maximum reimbursement rates, refer to the *Orthotic and Prosthetic Appliances: Billing Codes and Reimbursement Rates – Orthotics* and *Orthotic and Prosthetic Appliances: Billing Codes and Reimbursement Rates – Prosthetics* sections of this manual.

Separate reimbursement will not be made for fitting, measuring, training or delivery of an appliance.

Pharmacists
May Supply
Selected Devices

Licensed pharmacists and pharmacies enrolled as Medi-Cal providers may be reimbursed by Medi-Cal for O&P devices as designated by double asterisks (**) in the orthotic and prosthetic appliances billing codes and reimbursement rates sections of this manual.

Claim Form

Pharmacists must bill these selected O&P appliances on the CMS-1500 claim form, not the *Pharmacy Claim Form* (30-1).

Repair or Maintenance
of O&P

Repair or maintenance of orthotic and prosthetic appliances is billed with the following HCPCS codes:

Orthotics: L4205 (labor)
L4210 (parts)

Prosthetics: L7520 (labor)
L7510 (parts)

Labor

Claims for labor (HCPCS code L4205 or L7520) require the following information:

- Description of the service provided
- Reason/justification for repair
- Labor time to accomplish the work (HCPCS codes L4205 and L7520 are billed in 15-minute units, but labor time may be rounded to the nearest half hour for the total repair job. For example, 1 hour and 20 minutes = 6 units.)
- Labor rate or hourly charge

Labor Rate

HCPCS codes L4205 (orthotics) and L7520 (prosthetics) are reimbursed in 15-minute units at \$16.47 per unit. The hourly labor reimbursement rate for repair is \$65.88. Codes L4205 and L7520 may be billed up to a maximum of three hours (12 units) of labor time, without medical justification and authorization. Important information about limits for billing these codes is located under the "Authorization" heading in this section.

Replacement Parts

Claims for replacement parts (HCPCS codes L4210 and L7510) require the following information:

- Description of the service provided
- Reason/justification for repair

**Custom-Made
Items**

Claims for custom, in-house manufactured items must include a list of materials and the wholesale prices. If parts are ordered from a manufacturer and modified by adding other materials, list the materials, the ordered part and wholesale price for each. For the ordered part, list the manufacturer's name and catalog number. Attach invoices for any parts or materials ordered to make the custom-made item. If the manufacturer does not frequently supply Medi-Cal items, include a copy of the manufacturer's price list. List the number of labor hours and the hourly rate. Include a clear explanation of what was done to justify the number of hours and the rate.

For custom-made appliances, the *Date of Service* is the date of delivery to the recipient (or attempted delivery when not successful). Enter the date of delivery of the appliance to the recipient in the *Reserved for Local Use* field (Box 19) of the claim.

**Custom-Made
Foot Orthoses**

A custom-made foot orthosis is a foot orthosis fabricated for a specific patient using the patient's individual measurements and/or pattern. This is done by using a plaster casting of the patient's foot to create a mold, or with a computer (three-dimensional negative impression or digital scanning). The use of foam boxes is not an acceptable fabrication method. A TAR is required for these items, and an explanation of the fabrication process used must be included on the TAR. The TAR must also include documentation of medical necessity.

**Undeliverable
Custom-Made Items**

Claims submitted without a date of delivery are reviewed for documentation that shows diligent attempts to make the delivery or evidence of the impossibility of delivery.

If adequate documentation is presented, the claim is processed for reimbursement at 80 percent of the authorized maximum benefit.

Providers must retain undeliverable custom-made appliances for one year from the date of service if reimbursement has been made according to the conditions described above. These appliances must be ready on demand for delivery to the recipient or a representative of the Department of Health Care Services (DHCS). (If delivery can be made, submit a *Claims Inquiry Form* [CIF] for compensation of the 20 percent reduction made to the original maximum reimbursable amount.)

Ultralight Prosthetics

If a prosthetic item is constructed of an ultralight material, documentation of medical necessity is required.

Bilateral Appliances

Claims billed for bilateral appliances are reimbursable without authorization using modifiers LT (left side) and RT (right side). The procedure code must be billed on one claim line with both modifiers RT and LT and a quantity of "2" in the *Days or Units* field (Box 24G).

Additional Quantities

With the exception of bilateral conditions, claims for a quantity of greater than one ("1") of the same procedure code on the same date of service or for billing in excess of the stated frequency limitations, require a *Treatment Authorization Request* (TAR). Examples of acceptable medical justification for authorization include, but are not limited to the following:

- Changes in the patient's physical condition, such as size, shape or weight
- Unusual physical activities
- Documented loss or damage
- Change in medical necessity

Appliance Additions

Appliance "addition to" codes will only be reimbursed when the base appliance has been provided. Addition codes may only be reimbursed separately if the item is being replaced or repaired.

**"By Report"
Requirements**

O&P appliances reimbursed through "By Report" billing require the following information:

- Item description
- Manufacturer name
- Model number
- Catalog number (if appropriate)
- Suggested retail price

Note: In lieu of the above items, claims for custom-made appliances may include a copy of the original purchase invoice for materials and parts used in preparing the device.

- Cost of part(s) used
- Cost of labor per hour and total cost/hours
- Description of and justification for any special features (custom modifications or special accessories)
- Medical condition necessitating the particular orthotic or prosthetic item

Helmets

HCPCS codes A8000, A8001 (prefabricated helmets), A8002 and A8003 (custom helmets) and A8004 (replacement interface) are reimbursable to physicians, certified orthotists and prosthetists, as well as California Children's Services (CCS) providers.

Codes A8000 – A8004 have specific modifier requirements (see earlier entry regarding modifier requirements in this section). Claims for code A8004 (replacement interface) billed with modifier RP must include documentation that the patient owns the helmet. Prefabricated helmet codes A8000, A8001 and A8004 are taxable items and subject to DME TAR thresholds.

**Cranial Remolding
Orthoses**

HCPCS code S1040 (cranial remolding orthosis) requires a TAR and is reimbursable with the following restrictions:

- Maximum age is 2 years old
- Frequency is limited to two in 12 months
- Diagnosis code is limited to 754.0 (plagiocephaly) and 756.0 (craniosynostosis)
- Requires a TAR, which must include the name and address of the FDA-approved lab that made the helmet. The following are currently approved labs:
 - Becker Orthopedic Appliance Company (Becker Band Cranial Remolding Orthosis)

Stock Orthopedic and Conventional Shoes

Stock orthopedic and stock conventional shoes, including in-depth shoes are reimbursable only when at least one of the shoes is attached to a prosthesis or brace and the shoe is supplied by a prosthetist or orthotist on the prescription of a physician or podiatrist. (*Welfare and Institutions Code* [W&I Code], Section 14132[k] and CCR, Title 22, Section 51315[d]).

Shoes Attached to a Prosthesis or Brace

In the context of orthopedic shoes attached to a prosthesis or brace, a brace means a leg brace. For Medi-Cal purposes, a leg brace is an orthosis involving the foot that extends above the ankle and is made of metal or other durable rigid material that immobilizes, restricts movement in a given direction, controls mobility, assists with movement, reduces weight-bearing forces or holds body parts in correct position.

"Attached to a prosthesis or brace" means the prosthesis or brace is permanently affixed to the shoe as an integral part. The shoe attachment is necessary for the device to function. The allowable brace device codes that may be affixed as an integral part of the shoe are limited to the following HCPCS codes: L1900, L1910, L1920, L1980, L1990, L2000, L2010, L2020, L2030, L2050, L2060, L2080 and L2090.

Note: HCPCS codes allowable for the shoes referenced above are limited to L3201 – L3222 and L3260.

When billing for a stock orthopedic in-depth or stock conventional shoe, the provider must state in the *Reserved For Local Use* field (Box 19) of the claim form which shoe(s) is (are) attached to which device, and if that device is new or existing. For example, "Left shoe attached to a new L1990," or "Left and right shoes attached to existing bilateral L2000s."

Modifications

Modification of stock conventional shoes or stock orthopedic shoes is covered when a recipient's medical need can be satisfied by such modification.

**Custom-Made
Orthopedic Shoes**

Custom-made orthopedic shoes are reimbursable if the recipient's medical need cannot be met by modifications to stock orthopedic or stock conventional shoes. Clinical conditions that might require custom-made shoes include but are not limited to Charcot or rheumatoid foot deformities, some partial foot amputations, or when a patient requires a muscle flap to cover a large or unusual soft tissue foot defect that then is too bulky to be accommodated by an in-depth shoe.

The prescribing physician must document the nature, cause and severity of the foot problem leading to the conclusion that a custom-made orthopedic shoe is the only alternative (CCR, Title 22, Section 51315). A custom-made shoe has the following characteristics:

- Made and molded to patient model for a specific patient
- Constructed over a positive model of the patient's foot
- Made from leather or other suitable material of equal quality
- Has removable inserts as an integral part of the shoe that can be altered or replaced as the patient's condition warrants
- Has some form of shoe closure

**Orthotic Heel Lifts
Arch Supports**

Claims for shoe modification lift/build-up codes L3300 – L3334 require the following documentation in the *Reserved for Local Use* field (Box 19) or on an attachment:

- Exact description of the modification made to the shoe
- Name of provider or outside vendor performing the shoe modification
- If modification is performed by an outside vendor: Name, date and invoice number used to bill the provider for shoe modification services

Shoe modification lift/build-up codes L3300 – L3334 must be billed with either the modifier LT (left side) or RT (right side). Lifts are reimbursable for one side only. Reimbursement for lift/build-up codes is restricted to twice in 180 days for the same recipient by any provider.

Therapeutic Diabetic Shoes and Inserts

Therapeutic diabetic shoes and inserts are a benefit for recipients with a diagnosis of diabetes mellitus. Shoes and inserts are billed with HCPCS codes A5500, A5501, A5503 – A5507, A5512 and A5513. Descriptions of these codes are included in the *Orthotic and Prosthetic Appliances: Billing Codes and Reimbursement Rates – Orthotics* section of this manual.

Authorization

These services require authorization. With the TAR, providers must submit a physician-signed *Physician Certification of Medical Necessity for Therapeutic Diabetic Shoes and Inserts* form (see copy at end of this section) to certify that the recipient has one or more of the following conditions:

- Foot ulcers
- Previous amputation of the contralateral foot, or part of either foot, due to microvascular disease secondary to diabetes
- History of previous foot ulceration of either foot
- Peripheral neuropathy with evidence of callous formation of either foot
- Deformity of either foot, that is, rocker bottom foot or Charcot foot
- Documentation of compromised vascular disease in either foot
- Positive monofilament examination indicating diabetic neuropathy

The following additional information is required on the *Physician Certification of Medical Necessity for Therapeutic Diabetic Shoes and Inserts* form for authorization of codes A5501 and A5513:

- Diabetes mellitus with neurological manifestations
- Diabetes mellitus with peripheral circulatory disorders
- Diabetes mellitus with other specified disorders (amputations, significant deformities and/or pre-ulcerations)

Billing Restrictions

Only orthotists and prosthetists may be reimbursed for the following services.

Codes A5500 (prefabricated shoes) and A5512 (prefabricated inserts) may each be reimbursed up to four in 12 months. The daily maximum allowable for each code is two, but they do not have to be billed in pairs. The maximum allowable in 12 months may be in any combination of right or left sides.

Codes A5501 (custom shoes) and A5513 (custom inserts) may each be reimbursed up to two in 12 months. The maximum allowable in 12 months may be in any combination of right or left sides.

Providers will not be reimbursed for both prefabricated and custom shoes or inserts for the same foot in the same 12 months, unless:

- The claim does not exceed the stated annual frequency limitation for the respective codes, and
- The medical condition has changed to the extent that a custom appliance would be required for the same side after a prefabricated shoe or insert has been tried.

Documentation of the medical justification for separate reimbursement of a prefabricated or custom item for the same foot in the same 12-month interval must be placed in the *Reserved for Local Use* field (Box 19) of the claim or on an attachment.

Diabetic shoe inserts are reimbursable only if a diabetic shoe is billed on the same claim or in a 12-month history.

Elastic Stockings

Pre-manufactured and off-the-shelf pantyhose-type, elastic support stockings are not a benefit of the Medi-Cal program. Custom-made elastic gradient compression stockings (HCPCS code A6542) are reimbursable with authorization when medically necessary to treat symptomatic venous insufficiency or lymphedema in the lower extremities. Code A6542 is billed "By Report."

Providers billing for elastic gradient compression stockings must have a written prescription from a licensed practitioner for the item(s). A generic prescription for "elastic support stockings" is not acceptable.

Taxable Orthotic Procedures

Sales tax is applied for orthotic codes L3100 (shoe night splint) and L3201 – L3595 (orthotic footwear, modification and additions).

Infant Spinal Immobilizer

HCPCS code L1001 (infant spinal immobilizer) is reimbursable, with authorization, for custom-made devices designed for the stabilization of the cervical spine, upper thoracic spine and/or airway of a child younger than one year of age. A CCS denial is required for Medi-Cal authorization. Claims must include an invoice. Coverage of L1001 excludes an infant immobilizer used to restrain infants during surgical or radiological procedures (for example, Circumstraint device for restraint during circumcision).

Reciprocating Gait Orthoses

Reciprocating Gait Orthoses (RGOs) are reimbursable as a Medi-Cal benefit when billed with authorization and proof that they are medically necessary for recipients 2 years of age and older with the following conditions:

- Thoracic or upper lumbar spine lesions with spasticity;
- Contractures of all levels of the lower extremity(ies) as long as the joint(s) is (are) flexible to manipulation.

Orthotic devices are Medi-Cal benefits when the equipment is reasonable and necessary for the treatment of an illness or injury, or to improve the function of a malformed body member. Orthoses must meet all applicable Medi-Cal statutory requirements as set forth in *California Code of Regulations (CCR)*, Title 22, Sections 51321 and 51521.

Documentation Requirements

The following documentation must be included when submitting a TAR for RGOs (HCPCS codes L2010, L2020, L2035 – L2037, L2510, L2520, L2525, L2627 and L2628):

- A primary physician must document that the recipient has cardiopulmonary integrity.
- An orthopedist or Physical Medicine and Rehabilitation Physician (PMR) must document that no other orthoses would be helpful.
- A neurologist must document that the spinal cord injury level is above L3.
- An independent physical therapist, other than the one in the orthotic/rehab unit, must document that the recipient does not have contractures and/or muscle atrophy that would preclude use of the RGO.
- X-rays of the spine must document that there is stability of the spine.
- X-rays of the spine, hips and knees must document a lack of advanced osteoporosis and fractures.

- One of the following ICD-9-CM diagnosis codes must be included on the TAR:
 - 344.1 (paraplegia);
 - 741.92 (spina bifida, without mention of hydrocephalus, dorsal [thoracic] region); or
 - 741.93 (spina bifida, without mention of hydrocephalus, lumbar region)

In addition to the above documentation, the following documentation is required when a TAR for RGOs is submitted for recipients 21 years of age and older:

- Plantigrade feet
- Knees and hips must not have greater than 10 degrees of contracture
- The hips must be flexible without rigidity or spasticity
- Good upper extremity strength
- Motivated, has realistic goals and expectations, and has a support system

Contraindications to RGOs include the following:

- Severe irreducible contractures that prevent establishing normal alignment
- Spasticity or other voluntary muscle activity that prevents free and coordinated mobility
- Obesity (BMI > 32)
- Poor upper extremity strength
- Advanced osteoporosis
- Fractures or a history of fractures
- History of not following treatment plans (noncompliance)
- Pressure sores in areas that would be in contact with the orthosis

The treating therapist and/or orthotist must submit a report to the primary care physician at six months of use to document the recipient's success or failure with the RGO.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

The Safely Surrendered Baby Law allows a parent or other person, with a valid medical reason, to safely surrender a baby to a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal a cualquier otra persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, no haya sufrido abuso ni negligencia, pueden entregar el recién nacido sin tener que dar su nombre o dirección a nadie.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmelo que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafe.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro externo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

UNDER THE HEALTH INSURANCE PORTABILITY
AND ACCOUNTABILITY ACT OF 1996 (HIPAA)**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to, or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("the Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Therefore, the parties agree as follows:

1.0 DEFINITIONS

- 1.1 "Disclose" and "Disclosure" means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.
- 1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103.
